Dear Sir / Madam

I am Betho Yanga who is 9 years old and I am a learner at Naluxolo Primary School doing grade 3. My class teacher is Mrs Mahlati. I stay in the above mentioned address. I would love if ARK can provide me with the school uniform because I have no parents, my mother has passed away last year and I stay with my brother and sisters who are also scholars. I want to go further with my education and sometimes I can't afford some of the school needs. By having the school uniform, I think it can help me to be able to reflect on and explore a variety of strategies to learn more effectively. I will be able to be in the same standard with other learners and also look clean. The uniform can also help me to be easily recognised inside and outside the school premises.

For further information feel free to contact the school at 021-3720186.

Yours faithfully

Betho Yanga

Application for school uniform

Dear Sir/Madam

I am kindly applying for a school uniform. My name is Sinezivali and my surname is Rozani, I am a boy of ten years of age doing grade 2 at Naluxolo primary school. My school contact number is (021) 3720186 and Mrs Mzondwana is my teacher.

The reason I need the uniform is because I don't have parents they both deceased and I am staying with my aunt who is also struggling, she only works here at our school, she cooks for the learners and she earns very little money. Besides me there are other children which are my brothers and sisters but they are staying in the Eastern Cape, they are seven altogether. I hope and wish my application will be highly considered.

I am Pisisipho Mafutha a grade 1 learner at the above school. My mother works a seasonal job at the farms. Sometime we live with our neighbours when she is in hospital as she is not in good health. I've got a brother and my mother is expecting a baby soon. As we depend on social grant most of the time for living, I can be very happy to get an assistance with school uniform as it will boost my self esteem.

Yours Sincerely
Pisisipho Mafutha.
