Dear/Madam

I'm hereby wish to apply as one of the learners who want to get help from Absolute Return for Kids(ARK) to be given opportunity to get the school uniform. I am a boy of about 9 years old. I am in grade 2 in Bongoletu Primary School. I am an orphan and I live with my grandmother. I receive the child support grant but it is not enough for me to get a school uniform because my grandmother is struggling very hard to raise us. I am assisted by my educator Miss Maqubela to write this letter. My school's contact number is (021)3715451. I enclose herein the copy of my Birth Certificate. I will be very glad if my application will receive your favourable consideration.

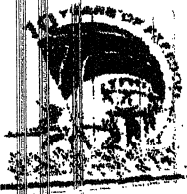

Yours truly,
Ndaku Sinxolo

Dear Sir/Madam

I Amanda Mthukunga is a learner of Entshona Primary School aged 6, doing grade I. I am applying for uniform assistance. I am really in need of this offer due to many problems that I encounter in my life. One of the main reason that is mostly hampering me is that I'm staying with my Grandmother who is unable to buy all the school requirements.

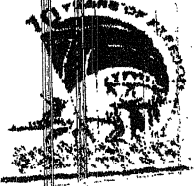

My present teacher Ms Mphahyi has helped me to write this letter.

I will be very glad if my application will be given a serious consideration.

Yours faithfully

Amanda Mthukunga
